MEMORANDUM FOR: Director, Intelligence Community Staff

FROM: Charles A. Briggs
Director, Office of Legislative Liaison

SUBJECT: Proposed Legislative Program For The First
Session Of The 99th Congress

AI
Attached for inclusion in the NFIP package being submitted to OMB is a revised Intelligence Community Legislative Program for the first session of the 99th Congress. The fiscal year 1985 Intelligence Authorization Act and the Continuing Resolution both were passed following our 5 October 1984 submission to you on this subject. The passage of these two pieces of legislation has required the deletion of certain items contained in our earlier draft of the program. In addition, OGC has provided us with an additional item (99/1-14) addressing the Agency's authority to deal with security problems in the drug and alcohol abuse area which has been included in the program.
